

28TH ANNUAL
ANIMAL LAW CONFERENCE

OCTOBER 23-25, 2020

IMPACTS ON ANIMALS IN
A CHANGING CLIMATE

ANIMALLAWCONFERENCE.ORG

- a. What are some legislative updates you think need to be made, either in our state or at the federal level?
- b. What are some ways you think our chapter can better advocate to help promote legislation?
- c. What are some ways you think the environmental movement and the animal movement can work together to promote and create legislation (new or existing)?
- d. What are some ways you think COVID-19 will affect environmental and animal legislation? Do you think more work will be done or less?
